Private University
with 1,500 students
founded in 1992

Banku Austskola is a small but prestigious university in one of the most exciting metropolises in the Baltic States. Living and studying is here easy to organize. This also leaves a lot of time to discover the country.

ranked #12 EDUNIVERSAL
„Investor in Excellence” (IiE Standard)
NIBS International Business School
Scottish Qualifications Authority

The representative ranking results show that the Banku Augstskola's main areas of focus provide valuable academic depth. Another advantage is the low cost of living.
