		pass with distinction	B2	valid
	Level 3 - 4	pass / with credit / with distinction	B2 - C2	
GMAT		where applicable, to be checked individually		

As a rule, only standard test results are accepted.

Given evidence of English as mother tongue or of graduation in an English taught education program, there is no need for an extra English language certificate. Language certificates issued by private language schools can't be accepted even if mentioning equivalence to CEFR (Common European Framework of Equivalence for Languages).
