

Registration and examination deadlines in the summer semester 2024

Students who wish to take examinations at Landshut University of Applied Sciences must register in due form and time, stating the examination. Registration is only valid for the respective examination period. The deadline for registering for examinations runs from

Wednesday, 08.05.2024 until wednesday, 15.05.2024

This deadline must be adhered to. If this deadline is missed, reference is made to § 24 para. 2 APO. Admission to the examination requires that you are enrolled at Landshut University of Applied Sciences, have completed any required coursework and have registered in due form and time.

There is an examination period from

Thursday, 11.07.2024 until Wednesday 31.07.2024

Notwithstanding this, the examination period for the "Midwifery primary qualification" degree programme begins on 13 June 2024. Examinations outside of the aforementioned examination period are only permitted if they do not affect the duration of the courses. To a very limited extent, examinations can be held from 27 June 2024. Examination days are Monday to Saturday. In the case of block courses, examinations may be held at the end of the block.

General regulations:

Announcement of grades

Grades are announced exclusively via the SB portal on the Internet.

Inspection of graded examination tasks

The written examination papers for the winter semester 2023/24 can be inspected in the period from 25 March 2024 to 12 April 2024. The written examination papers for the summer semester 2024 can be inspected in the period from 14 October 2024 to 4 November 2024. Inspection after the deadline is only possible in justified exceptional cases. The place, time and procedure for viewing examinations is regulated by the respective examination board; please note the relevant notices in your faculty.

Disadvantage equalisation

Students who are unable to take all or part of an examination in the intended form due to a disability may be granted compensation for disadvantages in the form of additional work and aids, insofar as this is necessary to ensure equal opportunities. For this purpose, processing times may also be extended to a reasonable extent or the taking of examinations in a different form may be authorised. The disability must be substantiated by submitting a qualified medical certificate stating the cause and extent of the examination impairment. Compensation for disadvantages must be applied for during the examination registration period. The application (addressed to the examination board) must be submitted to the representative for disability issues, Prof. Dr. Dannenbeck, Faculty SA, Office D 010, Tel. 0871/506-403, e-mail: clemens.dannenbeck@haw.landshut.de. As a rule, this person will conduct an interview before the decision is made and issue a statement. The decision is made by the examination board.
