Sevilen.

State-recognised foundation-University
with 34,000 students (including 4,000 international students)
founded in 2003
11 faculties

There is almost no other place where so many traditions, cultures and ideas come together. Confrontation between tradition and modernity creates an incredible energy, releasing creative synergy in all corners of the megacity. Istanbul is a city of superlatives - the range of art and culture is enormous. The city unites the most diverse worlds - and all this on two continents.
