Tervetuloa.

University of Applied Sciences
with 4,000 students
founded in 1996
7 faculties
small course with 10 – 50 students

Turku lies at the mouth of the Aurajoki River in southern Finland. There are archipelagos and islands in the Baltic Sea off Turku. The island of Ruissalo can be reached via a bridge. It is the city's recreational area with its botanical garden. There is a lot going on in Turku both during the day and at night.

among the Top25 best UAS in Finland

During the semester break or at weekends you can take the opportunity to explore the beautiful landscape of Finland and, if you have the chance, to discover the northern lights.

Finance, Tourism, Marketing

The library offers rooms for group work and studying.
