Tervetuloa.

University of Applied Sciences
with 6,000 students
founded in 1997
4 faculties

Rauma, best known for its historic old town, which was added to the UNESCO World Heritage List in 1991, is the third oldest town in Finland. Rauma is diverse and offers events all year round, including concerts, music festivals and other events. During the semester break or at weekends you can take the opportunity to explore the beautiful Finnish countryside and, if you have the chance, discover the Northern Lights.
