global kitchen concept

Maastricht is one of the oldest and most beautiful cities in the Netherlands. With over 121,000 inhabitants, the city is quite small, but because of its proximity to Belgium and Germany it is perceived as very cosmopolitan. Students make up about 20% of the population. Maastricht is known for its cultural life, has a variety of shops and boutiques as well as many terraces, bars and restaurants. All this makes Maastricht so pleasant.

among the TOP53 universities
in the U-Multirank in the
Netherlands

International Business, Hotel
Management, Facility and Real
Estate Management, ...

The library offers study
rooms for groups, technical
literature and online
resources.
