modern campus

among the highest rated universities in Australia for teaching quality and learning resources

The Sunshine Coast stretches from the coastal town of Caloundra near Brisbane to the Great Sandy National Park in the north, with pretty villages, well-known surfing spots and impressive surroundings. The Sunshine Coast is also the perfect year-round destination for a relaxing break from the daily grind, exploring Australia's wide beaches, Noosa's thriving gastronomy, and the many natural treasures in the surrounding area.

Accounting, Business Administration, Economics and Finance, Entrepreneurship, Human Resource Management, Information Systems, International Business Management, Marketing, Tourism, Leisure and Event Management
