unsuitable

Welcome.

State University
with more than 6,000 students
founded in 1967

Discovering the U.S. and studying under
ideal conditions: that is what USC
Spartanburg makes possible. Spartanburg
is home to the world's largest BMW
factory. The vibrant campus life guarantees
quick access to the local student
community. Modern buildings with
architectural charm underscore the unique
character of USC. The knowledge and skills
that students need in their professional life
are conveyed. The development of English
to business skills is a welcome side-effect.

No. 1 Top Public University in South
Carolina
No. 1 in South Carolina and 25th among
244 baccalaureate colleges nationwide

Business Administration,
Entrepreneurship,
Logistics and Supply Chain Mgm
