Hospitality Mgm, International Tourism,
Sports Mgm, Property, Business Mgm

Sydney is the capital city of the state of New South Wales, and the most populous city in Australia and Oceania. Located on Australia's east coast, the metropolis surrounds Port Jackson and extends about 70 km on its periphery towards the Blue Mountains to the west, Hawkesbury to the north, the Royal National Park to the south and Macarthur to the south-west. At the same time, the city offers modern bars and restaurants as well as unlimited sports facilities.
