State University
with 19,500 students
six schools
founded in 1964

As one of the largest and most modern business schools in Scotland, the university believes in creating an international community of practice where people are given every opportunity to reach their full potential and develop the knowledge and skills required for today's global business environment. Located in the heart of Scotland's inspiring capital city, the Business School offers a distinctive, inclusive and dynamic educational environment.
