# Sevilen.

Private University  
with 38,000 students  
(including 5,500 international students)  
founded in 2003  
12 faculties

There is almost no other place where so many traditions, cultures and ideas come together. Confrontation between tradition and modernity creates an incredible energy, releasing creative synergy in all corners of the megacity. Istanbul is a city of superlatives - the range of art and culture is enormous. The city unites the most diverse worlds - and all this on two continents.
