founded in 1980

#701-750 in QS Global World Rankings 2022  
#101-200 in Impact Ranking 2022

Bilbao is the most northern of the ten largest cities in Spain. The port city was founded around its oldest district, which is appropriately named Bilbao la Vieja, the old Bilbao. The fun begins in the evening when the locals go barhopping in the small but beautiful old town. With its obligatory cathedral, Bilbao is perfect for those who love culture, sun and the beach.

Commercial Management, Financial Management, General Management, HR, Taxation, Accounting Management and Financial Information, Business Innovation
