

Examination Plan SIOB Summer Semester 2025										
2nd Semester										
Module Number	Subject	Date	Time	Place	Type of exam	Duration	Examiner	Second-Examiner	Supervisor	allowed exam equipment
SIOB150	Mathematics for Engineers II	16.07.2025	10.00am	City Hall	written exam	90 min	DAV	BHR	BHR	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus) – single-line, not programmable, not graphics-capable, without external interface - Up to one DIN A4 sheet written in your own handwriting (single-sided or double-sided) - Ruler - English dictionary - Blackboard
SIOB140	Sustainable Development I: Principles	17.07.2025	10.00am	City Hall	written exam	90 min	PRM	BHR	DAV	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus)- Pocket calculator* - single-line, not programmable, not graphics-capable, without external interface - Character material - Drawing material
SIOB180	Software Development and Coding	18.07.2025			3 Assignments, program code 300 lines		DAV	PRM		
SIOB160	Applied Physics	22.07.2025	10.00am	T004/5	written exam	90 min	DAV	PRM	BHR	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus) – single-line, not programmable, not graphics-capable, without external interface - Up to one DIN A4 sheet written in your own handwriting (single-sided or double-sided) - Ruler - English dictionary - Blackboard
SIOB170	Electronics and Measurement Engineering	24.07.2025	10.00am	T004/5	written exam	90 min	DAV	KHR	BHR	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus) – single-line, not programmable, not graphics-capable, without external interface - Up to one DIN A4 sheet written in your own handwriting (single-sided or double-sided) - Ruler - English dictionary - Blackboard
4th Semester										
SIOB270	Sustainable Development II: Standards, Players, Interventions	14.07.2025	10.00am	T020	written exam	90 min	BHR	PRM	PRM	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus)- Pocket calculator* - single-line, not programmable, not graphics-capable, without external interface - Character material
SIOB200	Network Communication / IoT	15.07.2025	10.00am	T020	written exam	90 min	SPN	BHR	BHR	*- Calculator: not programmable, not graphics-capable - Two (2) double-sided or four (4) single-sided DIN A4 pages written by hand only. These pages may only contain the lecture and the practical courses of Prof. Spindler. These pages may be printed out. The printout may only consist of your own handwriting. -no aid permitted in IoT
SIOB190	Automatic Control Engineering	17.07.2025	03.00 pm	T020	written exam	90 min	RDR	WLT	WLT	
SIOB230	Accounting	22.07.2025	02.30 pm	T020	written exam	90 min	BHR	PRM	PRM	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus)- Pocket calculator* - single-line, not programmable, not graphics-capable, without external interface - Character material -One sheet, handwritten on both sides
SIOB250	Introduction to Manufacturing Engineering	23.07.2025	09.30-12.30; 09.30-10.15am Matr. Nr. 01205124, 01206434, 01212377 10.15-11.00am Matr. Nr. 01209319, 01209485, 01206454 11.00-11.45am Matr. Nr. 01209346, 01206945, 01204977 11.45-12.30pm Matr. Nr. 01226490, 01206153, 01207525	T020	oral exam	180 min (15 min per person)	PRM	BHR	BHR	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus)- Pocket calculator* - single-line, not programmable, not graphics-capable, without external interface - Character material - Drawing material

Retake Exams										
SIOB110	Principles of Electrical Engineering	30.06.2025	10.30-12.00	T020	written exam	90min	DAV	PRM	PRM	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus) - Pocket calculator* - single-line, not programmable, not graphics-capable, without external interface - Up to one DIN A4 sheet written in your own handwriting (single-sided or double-sided) - Ruler - English dictionary - Blackboard
SIOB210	Procurement, Manufacturing and Logistics	01.07.2025	17.00-18.30	T003	written exam	90min	PMR	BHR	BHR	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus)- Pocket calculator* - single-line, not programmable, not graphics-capable, without external interface - Character material
SIOB120	Fundamentals of Computer Science	02.07.2025	17.30-19.00	T004	written exam	90min	DAV	PRM	PRM	Cheat sheets from the lecture - no own notes - Calculator - single-line, not programmable, not graphics-capable, without external interface - Ruler - English dictionary - Blackboard
SIOB220	Marketing and Sales* *The examination on Marketing & Sales will be held via the VHB (Virtual University of Bavaria). For further details, please check the VHB website, as announced by the lecture	04.07.2025	12.00-1.00pm	A006/7 Landshut	written exam		GSA	MRM		
SIOB130	Principles of Business Administration and Economics	07.07.2025	10.00am	T020	written exam	90min	KHR	BMC	BMC	Pocket calculator* - not programmable, not graphics-capable, without external interface - Dictionary German-English / English-German or for another language and English
SIOB100	Mathematics for Engineers I (with Statistics)	09.07.2025	17.30-19.00	T004	written exam	90min	DAV	BHR	BHR	Pocket calculator* CASIO (with German or English menu): fx-991 DE X; fx-991 DE CW; fx-991 E X; fx-991 ES (plus) - single-line, not programmable, not graphics-capable, without external interface - Up to one DIN A4 sheet written in your own handwriting (single-sided or double-sided) - Ruler - English dictionary - Blackboard

Please note that changes may occur (even at short notice). Therefore, please inform yourself regularly here about the current status.
