Settings for Grades Announcement

At Grades Announcements I want to receive an email with all my actual data

Yes

No

If you have studied or are studying multiple degree programs, you can select the program for which you would like to see the following information.

Personal information:

Here you can see your personal information and your registered health insurance status. If you wish to make changes due to a move, change of e-mail or mobile phone number, you can do so under "Change personal information".

Dates:

Here you can see the dates for the current semester (end of lectures, examination period, re-registration period).

Your study programme:

Here you can see your current study status (depending on the status of the degree programme selected above, either "You are enrolled." or "You were/will be de-registered on [de-registration date]."). Please note: The "Applications and messages" function is currently not yet available.

My study and examination regulations:

When you click on this button, you will be forwarded directly to the study and examination regulations of the selected degree programme that apply to you.

Final thesis:

If you have already registered or submitted your thesis, you will find the relevant information here depending on the current status of your processing.

Settings for grades announcement:

Here you can choose whether you would also like to receive a list of the grades you have achieved this semester by e-mail.
