### My overview of marks:

Under "continue with my overview of marks" you will find your grade report. If you are studying or have studied multiple degree programs, you first need to select the appropriate program from the "Overview" section on the left side to view the grade report for that program.

### My publication of examination results:

Here you will find a list of the achievements you have accomplished in the respective semester, from the date of grade announcement until the end of that semester.

### My exam registration:

Under "continue with my exam registration" you can see your exam registration from the start of the exam registration period until the end of the semester. However, you can only register within the registration period.

You can find instructions for exam registration at <https://www.haw-landshut.de/en/tools-and-links/downloads>
