Start date	
Submission deadline	
Submission date	
Thesis period in months	

If you have studied or are studying multiple degree programs, you can select the program for which you would like to see the following information.

Dates:

Here you can see the dates for the current semester (end of lectures, examination period, re-registration period).

Your studies:

Here you can see your current study status (depending on the status of the degree programme selected above, either "You are enrolled." or "You were/will be de-registered on [de-registration date]."). Please note: The "Applications and messages" function is currently not yet available.

Personal information:

Here you can see your personal information. If you wish to make changes due to a move, change of e-mail or mobile phone number, you can do so under "Change personal information".

My study and examination regulations:

Clicking on this button will take you directly to the study and examination regulations for the selected degree programme that apply to you.

Bachelor's or Master's thesis:

If you have already registered or submitted your thesis, you will find the relevant information here depending on the current status of your processing.
